

About Us

Ling He Food Chemical Trading Company have been manufacturing sweeteners in China for two years since 2016. Our small size and private ownership means we are flexible and easy to work with.

Sweetenrs

Low calorie sweeteners are substances added to foods and drinks to provide sweet taste without calories, or with very few calories. Most low calories sweeteners are several hundred times sweeter than table sugar, meaning that only small quantities need to be added to achieve a sweetening effect. Low calorie sweeteners have been safely used and enjoyed by consumers all over the world for more than a century.
